

Occasional Child Care

Occasional Child Care (OCC) is a FREE service that helps newcomers with children (18 months to 5 years) to access childcare while attending workshops and appointments at the Ajax Welcome Centre.

Children are placed with caring professionals at the Helping Hands Daycare which is next door to the Welcome Centre. They will also be among children in the same age group, in a well-prepared classroom, with toys and a variety learning activities. This gives parents comfort, confidence and peace of mind knowing that their children are in a safe location while they complete their appointments.

- * Children **MUST** be between the age of 18 months to 5 years old
- * Appointments include settlement/case management , language assessment, Job Search Workshops.
- * 24 hours notice is required
